

■ About PT. IJ Global Solutions Indonesia

PT. IJ Global Solutions Indonesia, a wholly owned subsidiary of IJ, was established in January 2015. The company serves as the IJ Group's representative in Indonesia, supporting IT implementation for both local companies and Japanese companies with locations in Indonesia. It established a joint venture company, "PT. BIZNET GIO NUSANTARA" with PT. Supra Primatama Nusantara in 2015 to provide full-scale cloud services.
