

About OMRON Healthcare

Committed to advance health and empower people worldwide to live life to the fullest, OMRON Healthcare is a global leader in the field of clinically proven, innovative medical equipment for home health monitoring and treatment.

Aiming to realize its vision “Going for Zero, Preventive Care for the Health of Society”, the company develops products and services for cardiovascular condition management, remote patient monitoring, respiratory care, and pain therapy devices. These help healthcare professionals and patients to reduce cerebro-cardiovascular events, aggravation of respiratory diseases and restrictions due to chronic pain. With well over 400 million units sold globally*, OMRON provides the world’s most recommended blood pressure monitors by healthcare professionals**. Throughout its history, OMRON Healthcare has been striving to improve lives and contribute to a better society by developing innovations that help people prevent, treat, and manage their medical conditions and provides products and services in over 130 countries***.

OMRON Healthcare Group is headquartered in Kyoto, Japan.
