[About Fuji Xerox]

Founded in 1962, Fuji Xerox Co., Ltd. is a leading company in the Document Services & Communications field, offering solutions and services to help customers resolve their business challenges. Underlying our solutions and services are our world-class office multifunction devices, printers and production printers that we develop and manufacture for worldwide distribution. Together with cloud and mobile solutions, Fuji Xerox builds a communications environment that enable our customers to access the right information, at the right time, and in the right form—thereby contributing to their valuable communications.

Fuji Xerox is a 75-25 joint venture between FUJIFILM Holdings Corporation and Xerox Corporation, and its direct sales force covers Japan and the Asia-Pacific region including China. We employ approximately 45,000 people globally, with more than 80 domestic and overseas affiliates / sales subsidiaries.
