

**<What's Kabuki>**

Kabuki is a world-famous traditional Japanese performance art that will wow you with its grandness, from the performances to the costumes and makeup. Kabuki has more than 400 years of history, yet it is still the leader in live entertainment and Japanese culture today. The variety of productions ranges from the traditional classics to innovative Kabuki that integrates leading technology: themes vary from the pursuits of unwavering human drama to humorous and witty comedy, as well as dances filled with stylized beauty, in the infinite repertoire.

**<About "Cho Kabuki">**

Cho Kabuki is a special stage performance that combines Kabuki theatre with the cutting-edge ICT technology of Nippon Telegraph and Telephone Co. ("NTT"). The unique performance will not only feature a host of popular Kabuki stars including Nakamura Shidō, but will also include the world's biggest virtual diva, Hatsune Miku. Don't miss out on this brand-new form of Kabuki featuring a fusion of the real and virtual worlds.
