A common commemorative logo will be displayed on the Limited Express Ryomo and the Tze-Chiang limited express “Puyuma” in commemoration of the change of the exterior of the Ryomo. The logo design is based on another common logo, which was used for Tobu’s Limited Express SPACIA and the Tze-Chiang limited express “Puyuma” to create a sense of unity between the two railway operators. The logo will be displayed on Car No. 4 -- one each on the left and right sides from June 17 to December 31, 2016.
