

About note

note is a media platform where creators post text, images, audio, and video for users to enjoy and support. With a strong focus on a safe, welcoming environment and diversity, anyone can pursue and continue their creative activities. The platform offers opportunities for both individuals and organizations to connect, share interests, and discover unique people. Since the service launched in April 2014, approximately 64.07 million works have been posted. The number of user accounts reached 10.52 million as of August 2025. (Monthly active users were 73.59 million as of February 2025.)
